3. A popup dialog will open allowing you to upload your PowerPoint slide or poster presentation slide. Click on the small plus (+) sign to select the file from your device and click submit.

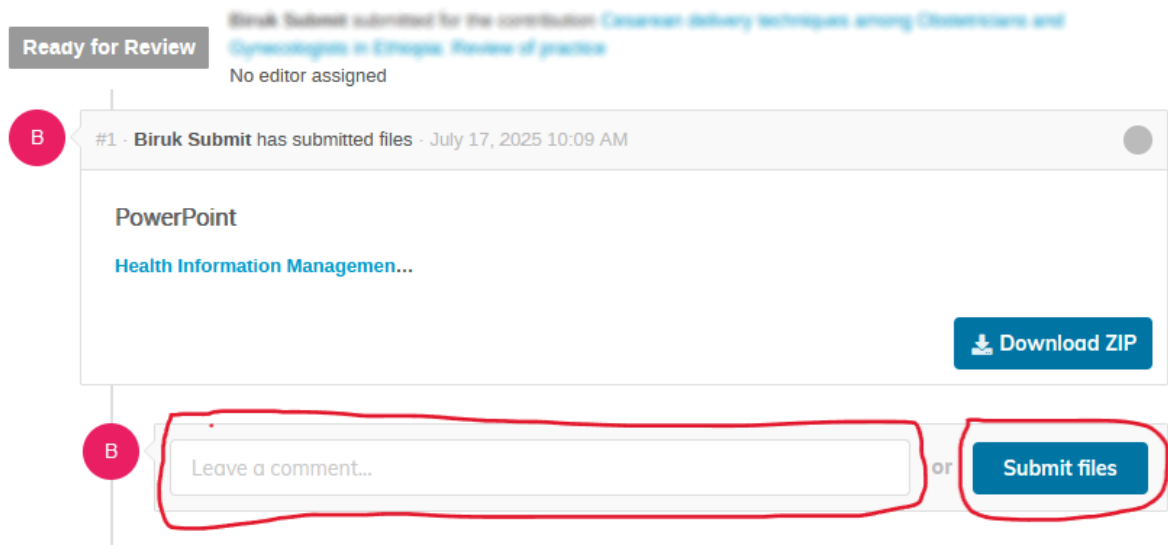

Before submitting, if you want to remove the file you selected, click on the small trashcan icon next to the displayed filename or click on the two arrows to replace the selected file. Finally click Submit.

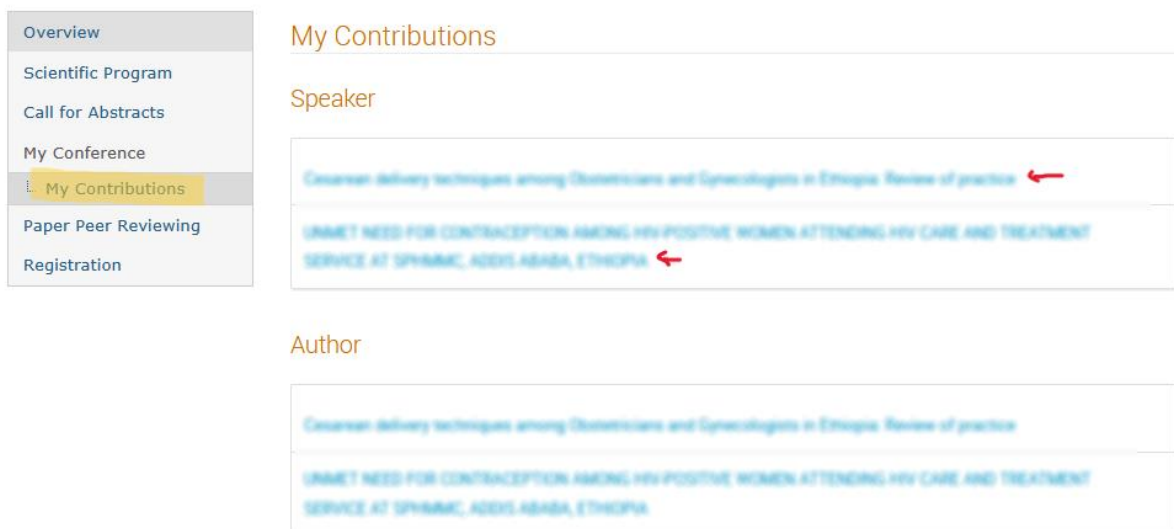

4. You have successfully submitted your presentation material. On the next page shown, you can see the timeline of your slide submissions. This page will show you any comments that may be left by an editor that is collaborating with you to ensure your slides are according to the slide preparation guidelines. You can write

comments using the comment box regarding your slides or submit another version of your slide using the “Submit files” button (until the submission deadline is closed).

5. To access the slides timeline page for your abstracts at a later time, you can navigate to the “My contribution” section from the left side menu on the conference home page (<https://cms.cirhtglobal.org/event/3/>) and click on the title of your abstract from the list which will take you to the timeline page of your slide submissions for that abstract.

From the timeline page you will be able to see comment left by editors and respond to modification requests of your slides by editors.
